

Five Cows

For felt or magnetic board.

Attach adhesive magnets to the back of the cows and to the back of the barn or adhesive Velcro to the backs of the cows and to the barn so that the cows will stick to the barn.

Five Cows

(to the tune of Five Green and Speckled
Frogs)

Five cows all black and white,
Chewed their cud from day to night,
So they could give milk sweet and pure.

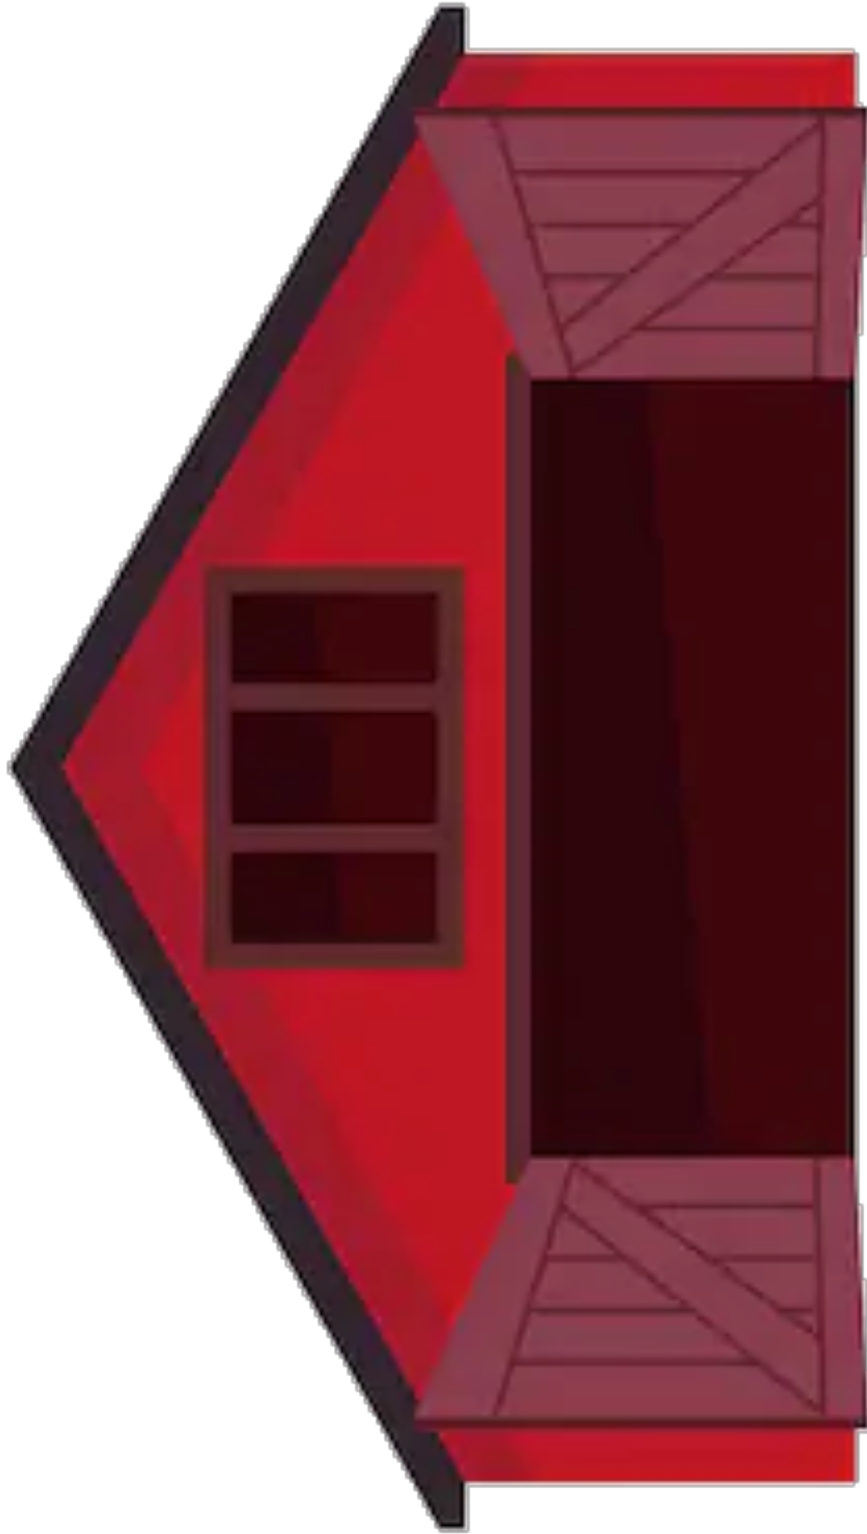

Squirt! Squirt!

One left the barn one day,
So she could find more hay,
Then there were 4 cows black and white.

Moo! Moo!
