**Apple Orchard Game!**

## **Directions for Apple Tree Bingo:**

**Adult:** Use the apples to call out words to children. As the children find the words on their "Apple Tree Bingo" cards; they mark them with buttons, pom poms, mini erasers, etc. The first one to cover all of their words wins.

## **Directions for Apple Match Up Game:**

**Adult:** Cut the apples horizontally on the dotted line from the page marked for this game. Have your child match up the top to the bottom of each sight word.

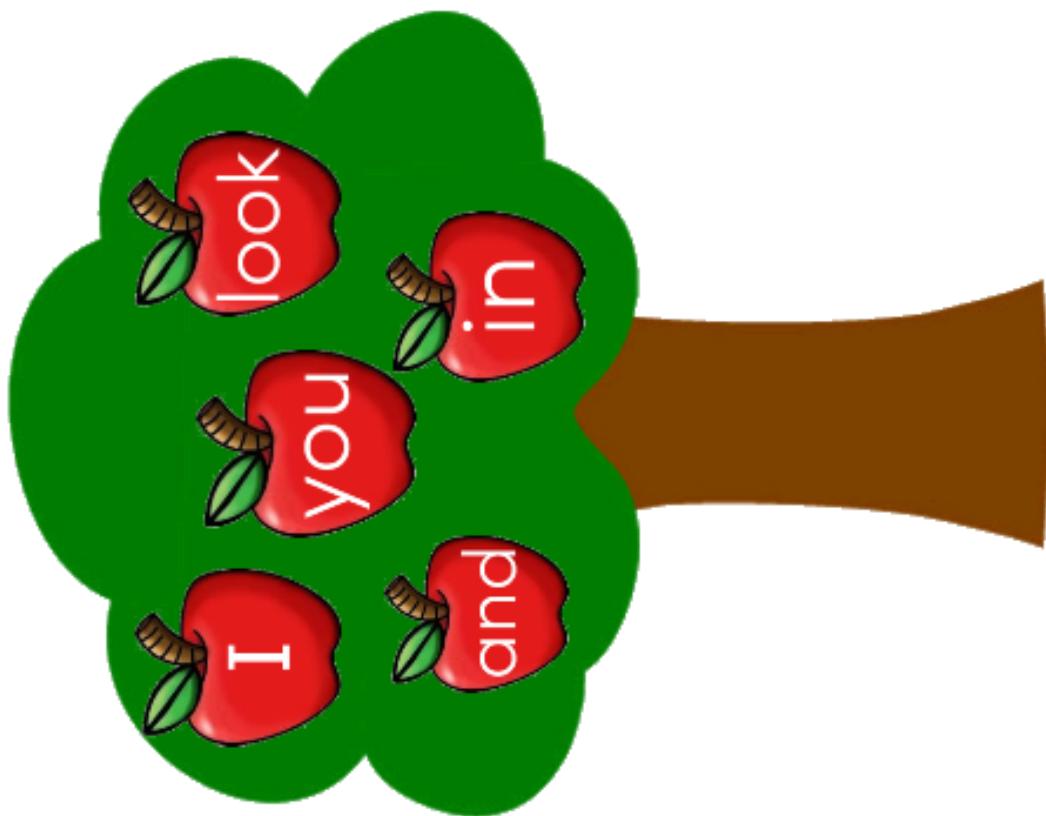

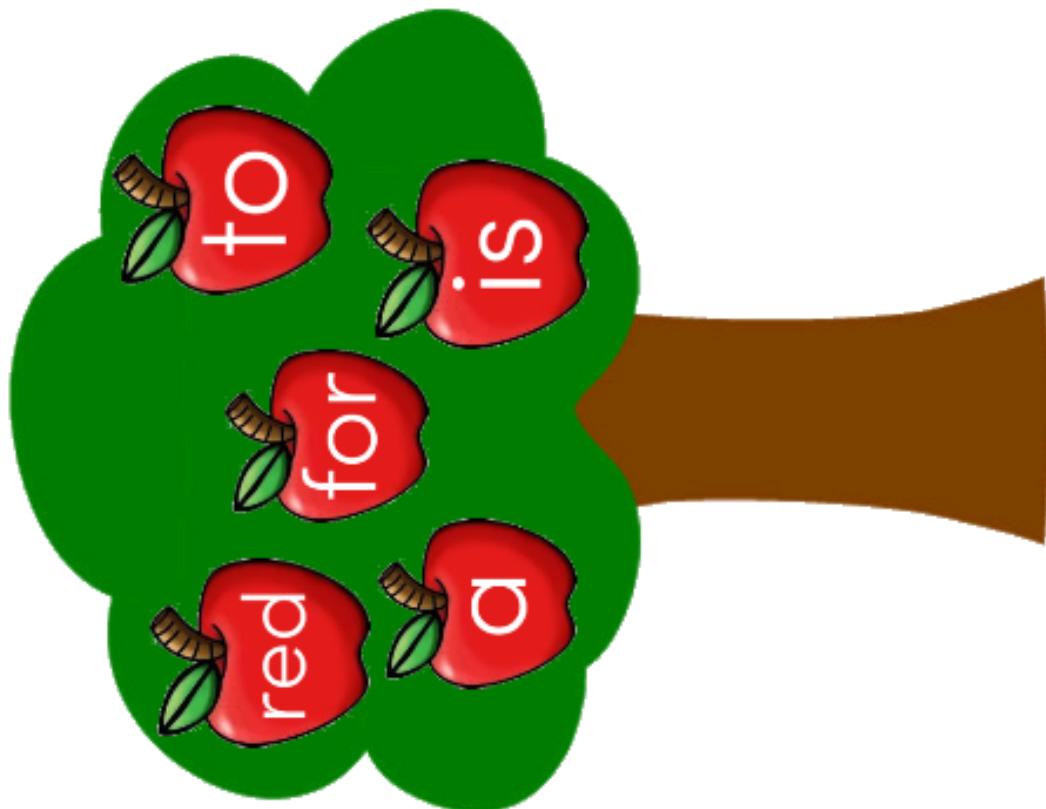

## **Directions for Apple Pie Word Game:**

Place apples, face down on table. Place pie dish on table. As your child turns over an apple and correctly guesses the sight word, they put the apple into the pie dish to make a pie.

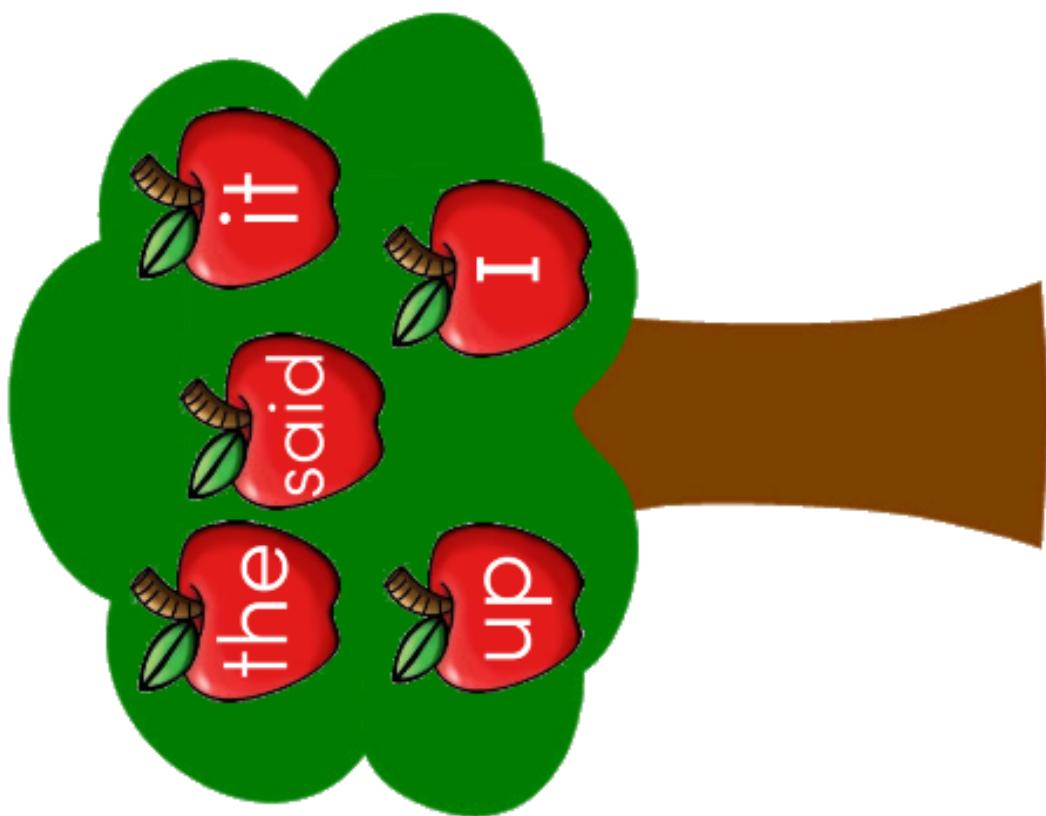

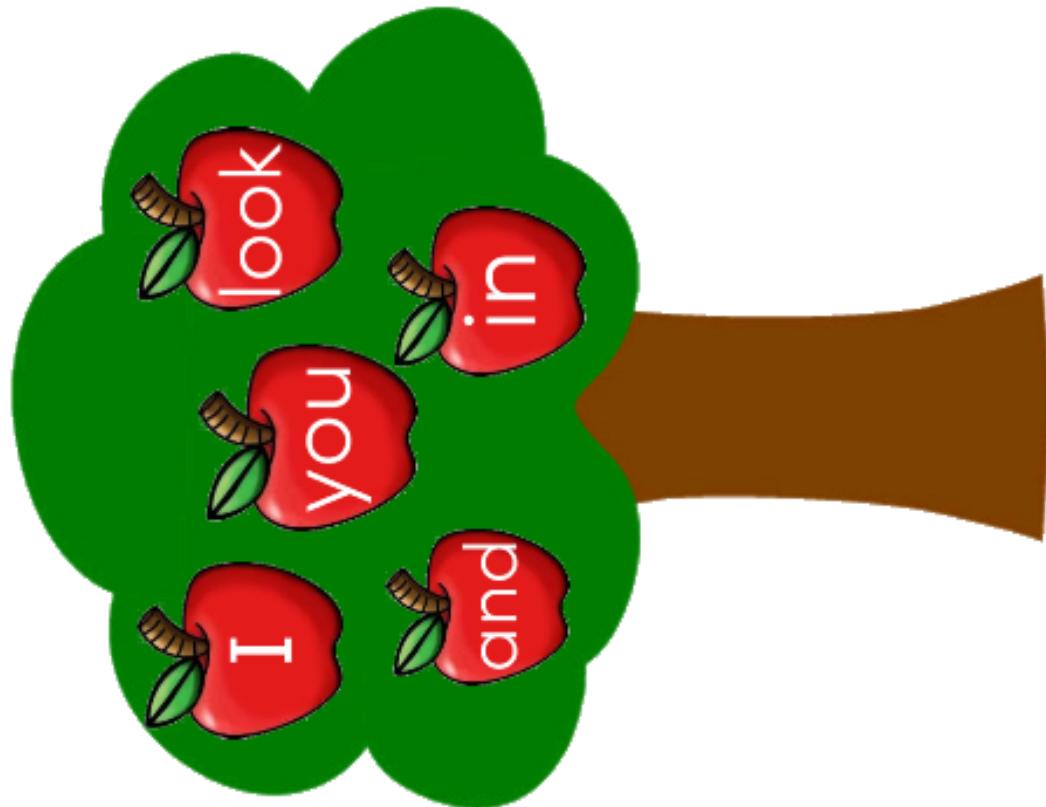

## **Directions for Apple Orchard Game:**

**Adult:** With painters tape; lay out winding road on the floor (you can use sidewalk chalk outside). Place apple sight words in different locations along the road. Have your child use his/her toy pick-up or dump truck to drive the road. When they come to a word and say it correctly they can put the word into the truck to take it to the orchard to make apple cider!
