

CVC Worksheets

What are CVC Words?

C-V-C stands for Consonant-Vowel-Consonant and is a simple way to classify short vowel sound words that students learn during the preschool and kindergarten year.

Learning to sound out each letter sound is an important developmental skill that your student will carry on through reading, writing, spelling, and more.

Preschool & Kindergarten students will learn to listen for important middle vowel sounds such as short o, e, a, u, i, and e vowels by completing CVC words like log, red, wig, hot, bag and gum.
